EDUCATION

B.Tech in Electronics and Computer Science,
Ramdeobaba University

August 2024 - Present

PROJECTS

Freak Lifestyle

Ecommerce website that I have designed and developed for my own clothing brand. I have developed this site using Wordpress and woocommerce. I along with my team have also sponsored 2 offline events where we also learned about offline sales.

Website: freaklifestyle.com

Instagram: www.instagram.com/freaklifestyleofficial

Code Vantage

It is a web development agency website that I have designed and developed. I have used HTML, CSS, Javascript, Express JS, GSAP, Swiper JS for developing the website and AWS EC2 instance for hosting the website.

Website: codevantage.in
